Berkner Is

Paths — long and winding and leading to who knows where. Berkner, for many has been our path to knowledge, friendship, fellowship, honors, excitement, and fulfillment. Throughout our high school years, these paths have helped to prepare us for the on going path of life.

Experiences we have gained while travelling the paths of Berkner will help us as we encounter the fates of society. Many will go on to schooling at higher institutions, vows of marriage, and the struggle of careers, carrying with them the knowledge they have gained at Berkner. Walking the paths at Berkner is one big step to success in life.

Homecoming

Homecoming 1979 began in a flash of green and white as the balloons signifying the opening of the festivities were released in the air at Wildcat-Ram Stadium

Following a procession of beautiful floats, Lori Beasore was crowned the 1979 Homecoming Queen during the half time festivities by last year's queen, Sandy Blankenship. Lori was attended by her court comprised of junior princess Lezlie McPhail, sophomore duchess, Tracy Albrecht and freshman maiden Jalinda Wilson

For the second year in a row the junior class won the most decorative float. Following the coronation activities, Berkner had their only tie game of the season when they played Pearce

Homecoming was highlighted by a formal dance held Saturday night in the Summit. Old and present students alike enjoyed the 1979 gala Homecoming affairs

Senior Follies

Songs, dances, laughs and pantomime were just part of the entertainment that delighted the audience at the 1979 Senior Follies April 27-28

All the various acts combined to make a delightful show that everyone enjoyed. Taking part in this year's production were: Emcee's Frank McMinn and Paul Stone, The Starshine players who put on two pantomime acts, Genifer Spears singing "Let's take the long way around the world", Ronnie Williford on guitar, Rey Washam on drums, Cheryl L'huillier and Cyndi Miller both singing solo's and the senior cheerleaders dancing to the tune of "You Should Be Dancing."

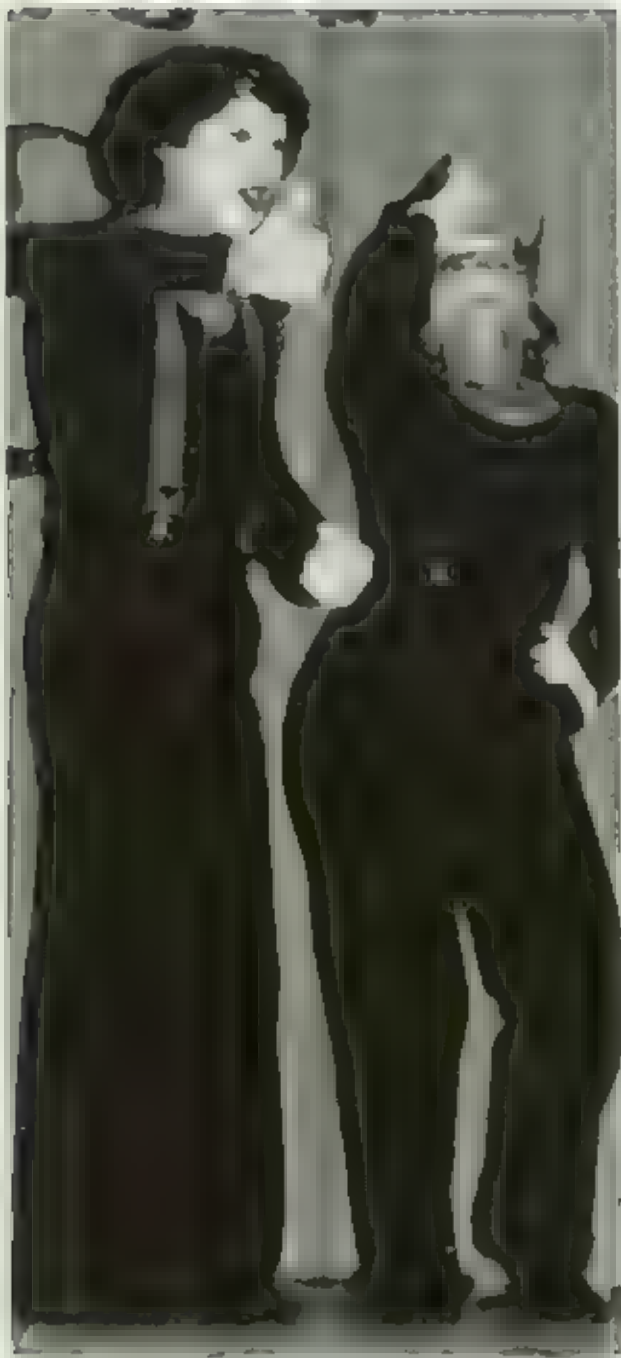

Also included were Suzanne Puig singing "You Needed Me" and Mike Williams playing the guitar. A group of Berkner girls called Reflections sang "The Cornerstone" followed by John Halpenny playing his fiddle. Last but certainly not least were our own Village People doing their version of "Macho Man."

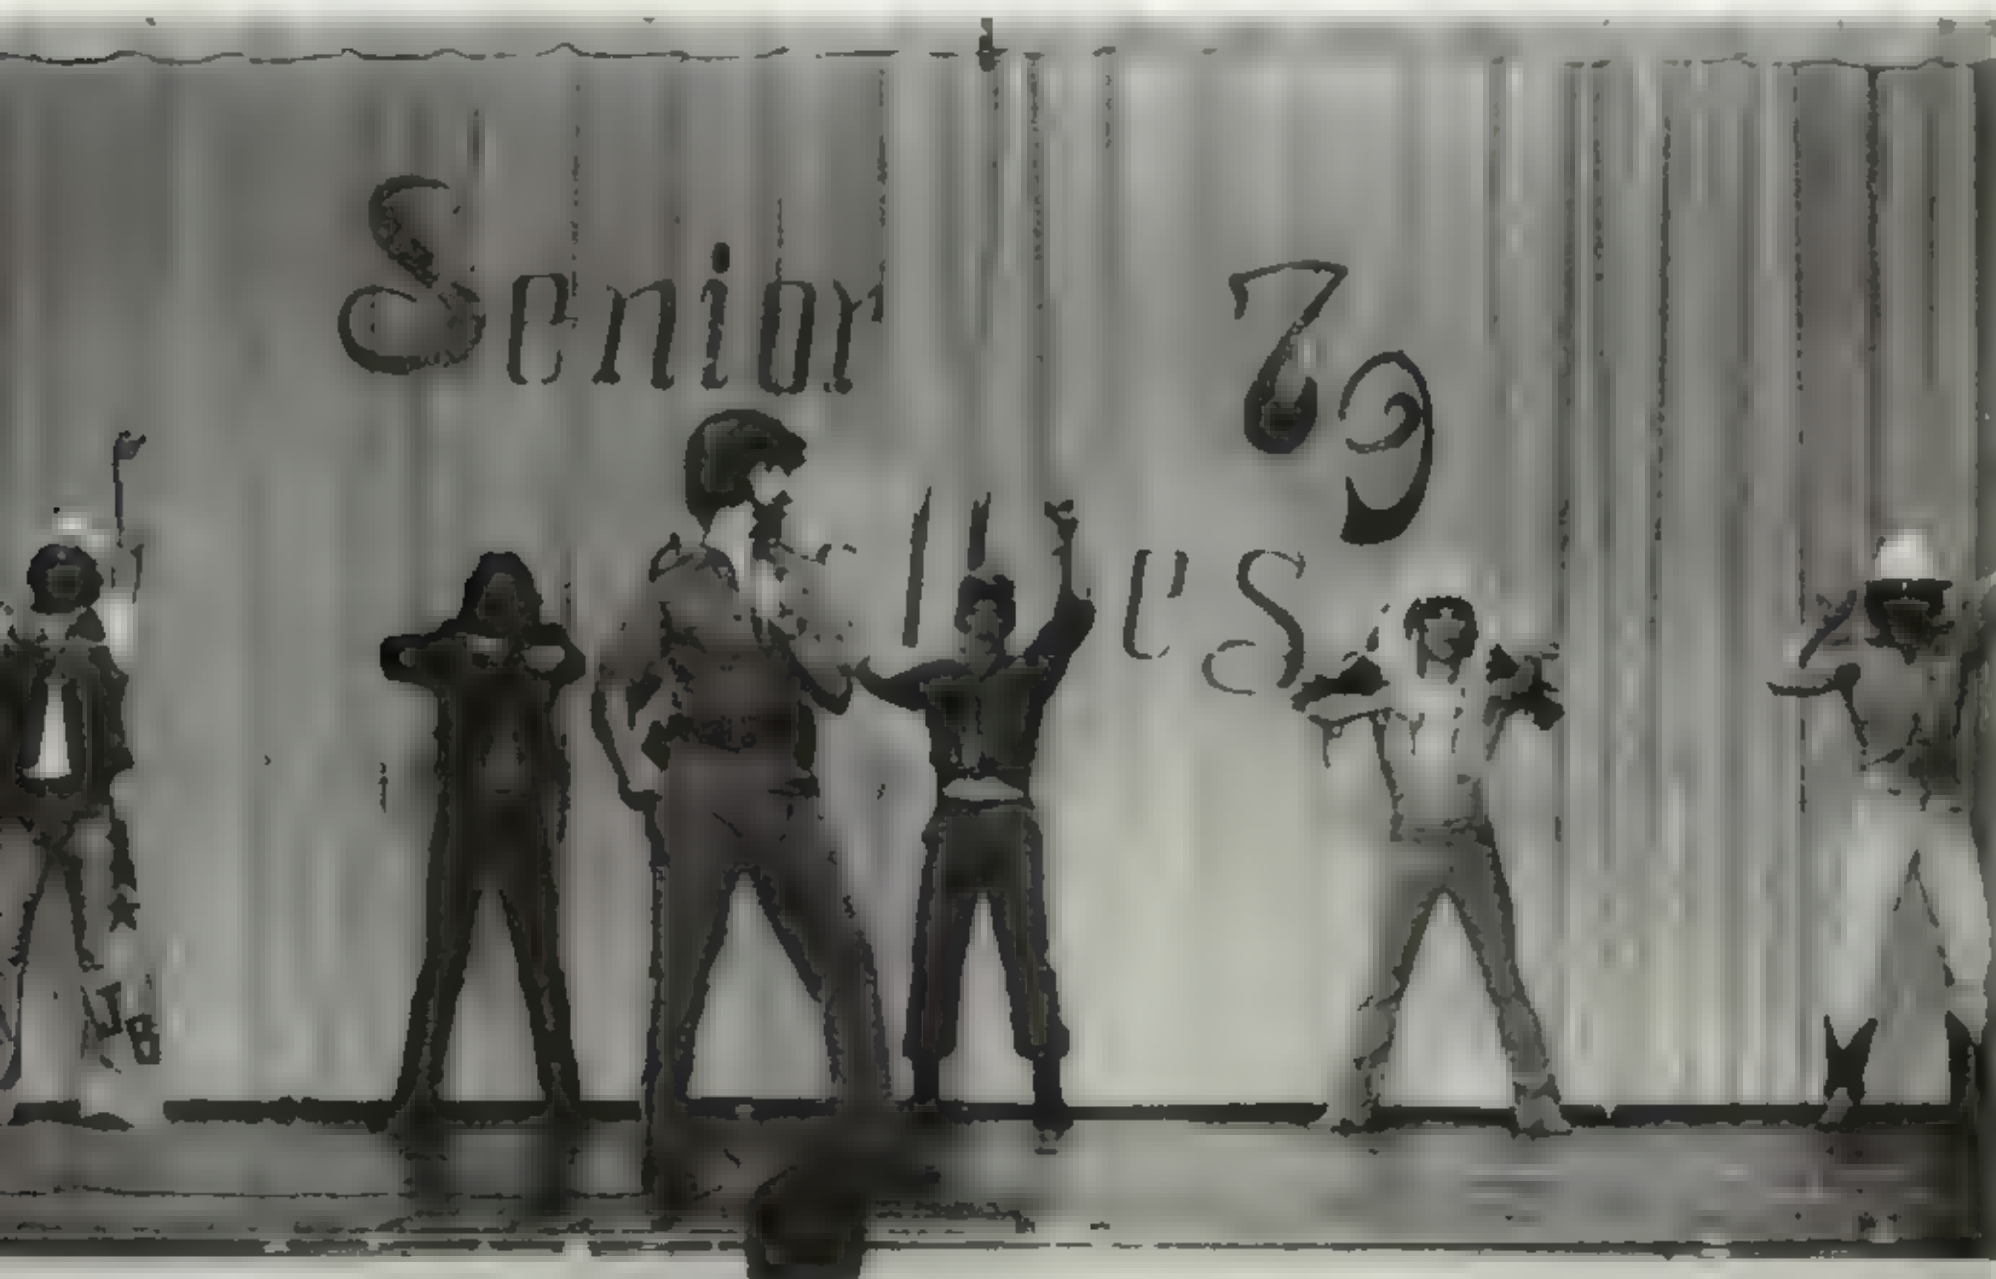

UPPER LEFT Frank McMinn and Paul Stone kept the program all tied up as emcee's. UPPER RIGHT: Rey Washam on drums FAR LEFT: Cheryl L'hullier sang to the tune of "Sketches" FAR RIGHT: Genifer Spears wanted to take the long way around the world CENTER LEFT: Ronnie Williford teamed up with Mike Williams to delight the audience with their guitars CENTER RIGHT: The Starshine Players at "The Bar"

Bandolera Revue

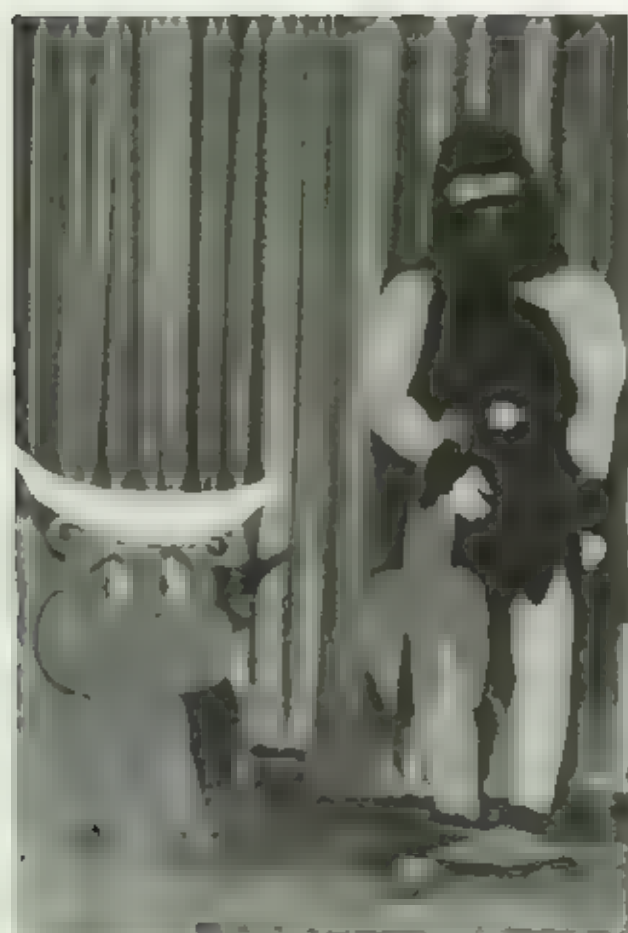

After eight long weeks of practice and concentrated rehearsals the Bandoleras performed their annual Spring Revue on March 3. The show featured this year's drill team along with several male participants

The theme of this year's revue was "A Galaxy of Sound" a take off on this year's featured movie "Star Wars." The show consisted of a number of 15-20 minute skits beginning from the time of primitive man, and continuing on to include the 1980's.

The program was narrated and introduced by the well-known Star Wars personality "Darth Vader"

This year's spring show was hailed a success by all and a tribute to the fine talents of Berkner's award winning drill team.

Band Banquet

Each year the band parents and members have a banquet to honor the graduating seniors of the band. This year was no exception

Held at Northpark Inn, all the participants had a fun filled night with a delicious meal and entertainment

The underclass members of the band provided the program with singing, dancing, comedy and skits. Most of the skits reflected on the past year and poking some good natured fun at seniors

The program ended with a slide show presentation of the marching season and of the seniors they were there to honor. Awards were also made to outstanding students Dena Drumm and Sharon Thompson as senior band favorites

UPPER LEFT Mark Krizmanic was M.C. for the band's evening UPPER RIGHT: "Golly gee . . . Do I really look like a drum major?" FAR LEFT Berkner's own macho men provided entertainment at the banquet FAR RIGHT: Bob Floyd, Symphonic I Director CENTER LEFT: Bonnie Looper and Robin Kerr gave seniors a whole new look CENTER RIGHT: Allen Howard and Cindy Bell were two belles of the ball

UPPER: Barry Smith smiles over the RiSD mini bus because he knows he won't be riding them anymore
LOWER: Marching season can really wear out your "dry bones," can't it?

The year that was . . .

The 1978-1979 school year marks the beginning of a time that will go down in history and be remembered as a time of witnesses to the worst ice storm in the United States. The ice storm in the Middle East's snow, causing a great deal of damage and death in our state. To some it was a time of great impact on the lives of seniors and young people in the state.

Many of the '99 graduating class found that with their new skills and getting less for their dollar, Entertainment Weekly magazine was a great budget. As the year progressed, people everywhere were laughing and smile in their leisure time.

Laughs were provided in glory, first by the entrance of the girls from Mars into our living rooms by the "singing and dancing" from outer space. Nannie Nance danced a "mambo" which was well applauded or our need to dance. But the stormy weather kept the Heaven Can Wait tradition of nest ornaments after the holidays. Fashion took a dramatic turn this year after a move to a new straight, skirts split knees high and hats were discarded in favor of hat on - in clothing; and dancing, hair styles ever more elaborate. The rage for both boys and girls. On any given day, you could watch the practice as more and more students expressed their personality in their shirts.

Baccalaureate

Graduating seniors gathered at the Lake Highlands Auditorium to join in prayers at the 1979 Baccalaureate ceremony on May 27

Former Berkner teacher and coach Ed Eason addressed the audience on the world today and the future tomorrow

Christie Tate provided music on the piano and songs were sung for the graduates by seniors Genifer Spears and Suzanne Puig.

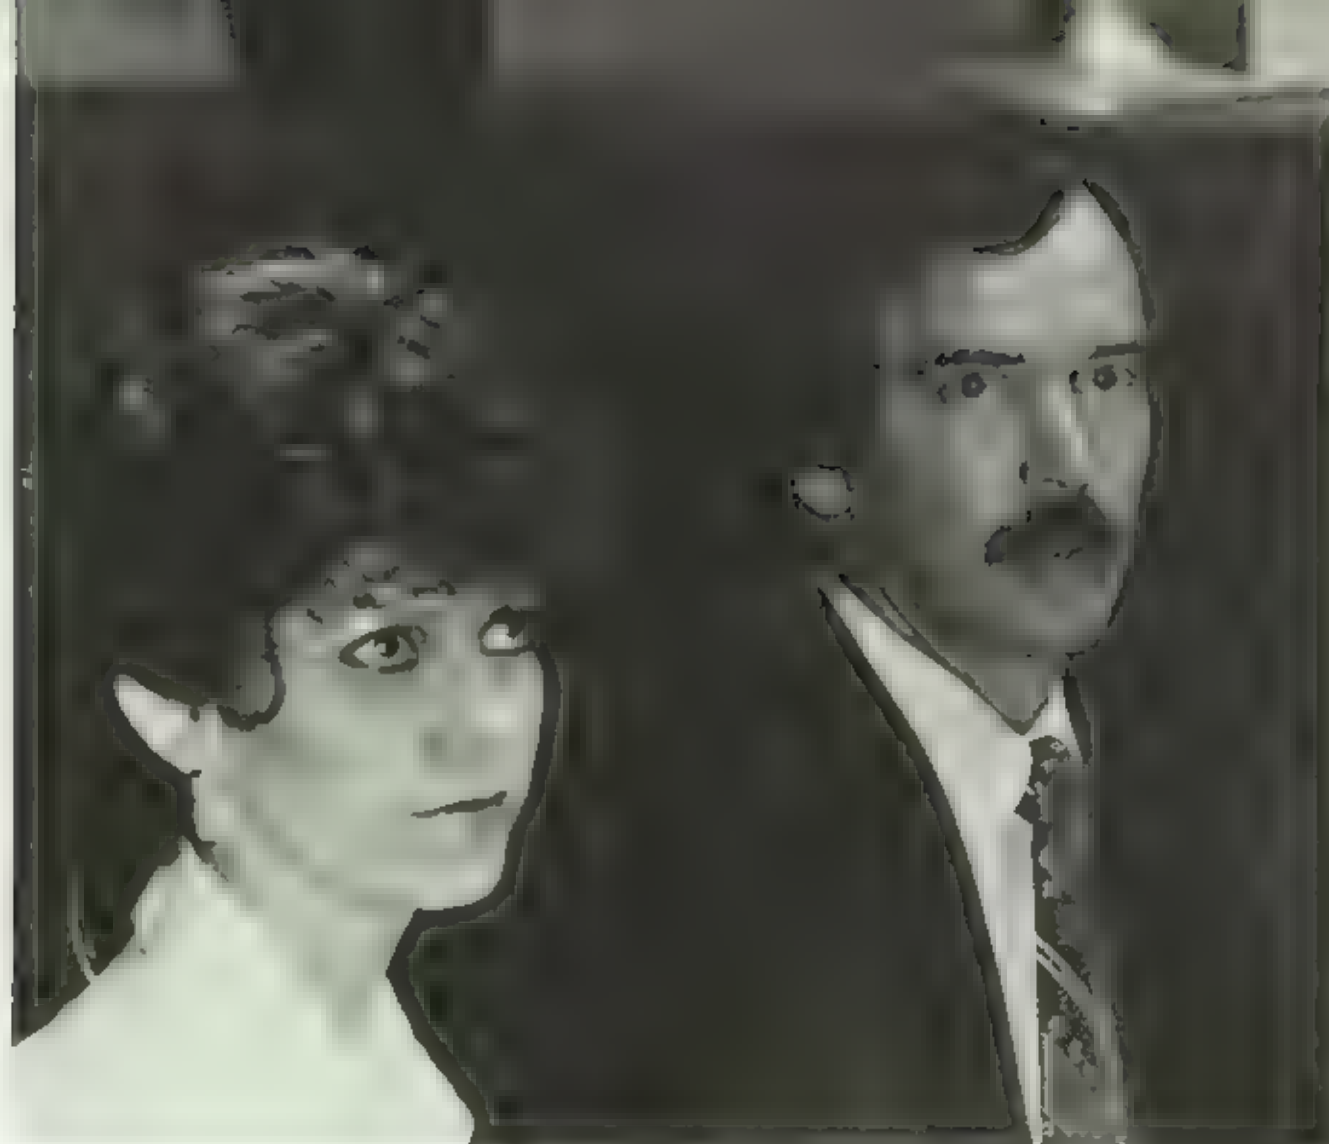

Following the ceremony a reception was held for the students and their families in order for them to exchange last minute greetings.

Graduation

May 30th nineteen-hundred and seventy-nine at 8.00 505 seniors ended walking down a twelve year path that led to graduation

The evening was as exciting as any other graduation as parents, friends, graduates, faculty members, and relatives of many listened closely to the speakers. Speeches were given by Valedictorian Harry Ploehn, Salutatorian Allen Howard and Class President Dave Luiken

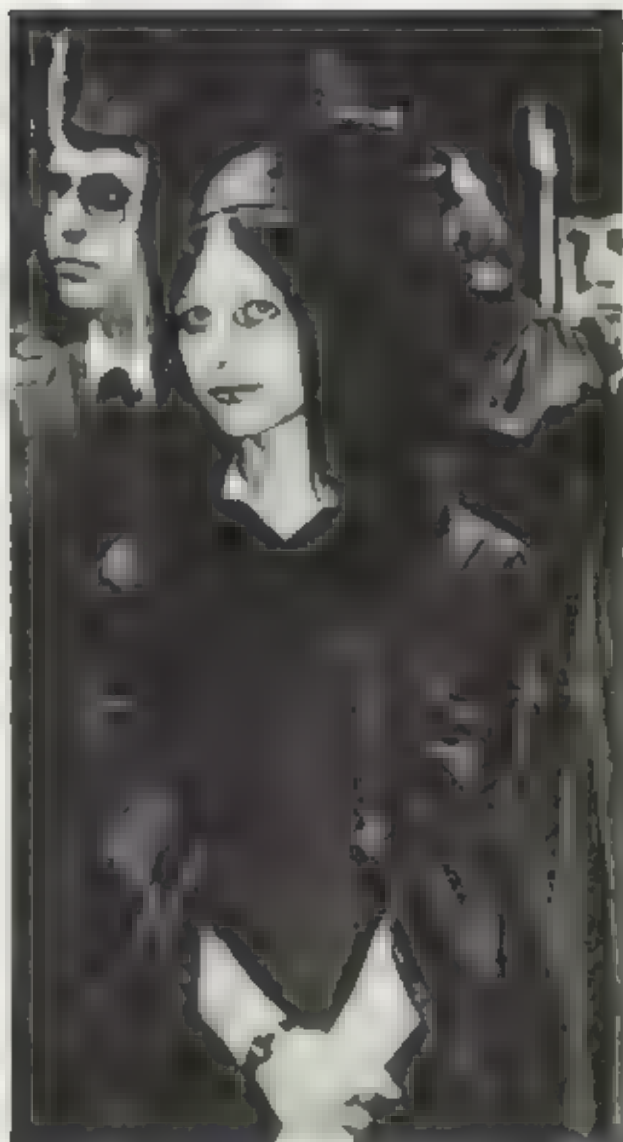

Though students have completed a walk that took many years, the path has not ended. The time has come for every student to choose the path he wishes to travel through life

No matter how we choose to lead our lives now, the memories of our school days will be treasured more with each passing moment

Board Directs Path of District Schools

In a rapidly growing school district such as RISD the job of managing and directing progress is especially difficult. The school board in Richardson is perhaps the hardest working group of adults in our city.

Through their dedication to excellence in education our district has grown to one of the most respected and recognized school districts in the country.

During his second year as Superintendent of Schools, Dr. John Roberts has been able to direct the efforts of each and every individual within our schools. It is a hard job, but we are pleased to have such responsible and devoted leaders directing our path in education.

Dr. John Roberts
Superintendent of Schools

RISD Board of Trustees

From left to right: Mr. J. H. Roberts, Superintendent; Mr. J. H. Roberts, Superintendent; Mr. J. H. Roberts, Superintendent; Mr. J. H. Roberts, Superintendent; Mr. J. H. Roberts, Superintendent.

The Richardson Schools have long maintained an emphasis on excellence in education. Because of instructional leadership in their respective areas, staff members are recognized as outstanding by other educators in Texas and in the nation. RSD students continue to win academic and athletic honors in district, state and national competition.

All buildings in the district are air conditioned, have gymnasium facilities, and full library and media services. Two swimming pools, one of which will be here at Berkner, are scheduled to be completed in the fall of 1980.

The RSD serves the educational needs for most of the city of Richardson, all of the community of Buckingham, and portions of Dallas and Garland. The district serves over 30,000 students through 49 buildings — 35 elementary schools, 10 junior high schools, and four high schools.

An individual educational program is maintained in all grades within the district. Where appropriate, subjects are emphasized; the district's educational philosophy stresses a student-centered approach to learning through the use of a widely diversified curriculum.

The four high schools offer courses to fit individual needs. These include a wide range of electives in fine arts, language arts, business classes, vocational courses, foreign languages, advanced math, and science courses, and many others. Over 200 courses are offered at the secondary level to provide for individual needs and goals.

Also supplementing excellence in education is a program in career education for all grades, study in subject matter areas and guidance and counseling services from grade school through high school.

The growth of the Richardson schools is a reflection of the growth and character of the community that it serves. Richardson is a young city with citizens interested in the quality of education. The district works hand-in-hand with interested citizens in order to provide our community with the best possible educational system for its youth.

Administrators Guide Path to High Standards

**Smith Markham
Principal**

The job of school administration is difficult and demanding. The principals of Berkner High School are interested in each individual's goals and achievements. Although they may not know each individual student in the school personally, they are willing to work out all difficulties students may have during their years at Berkner.

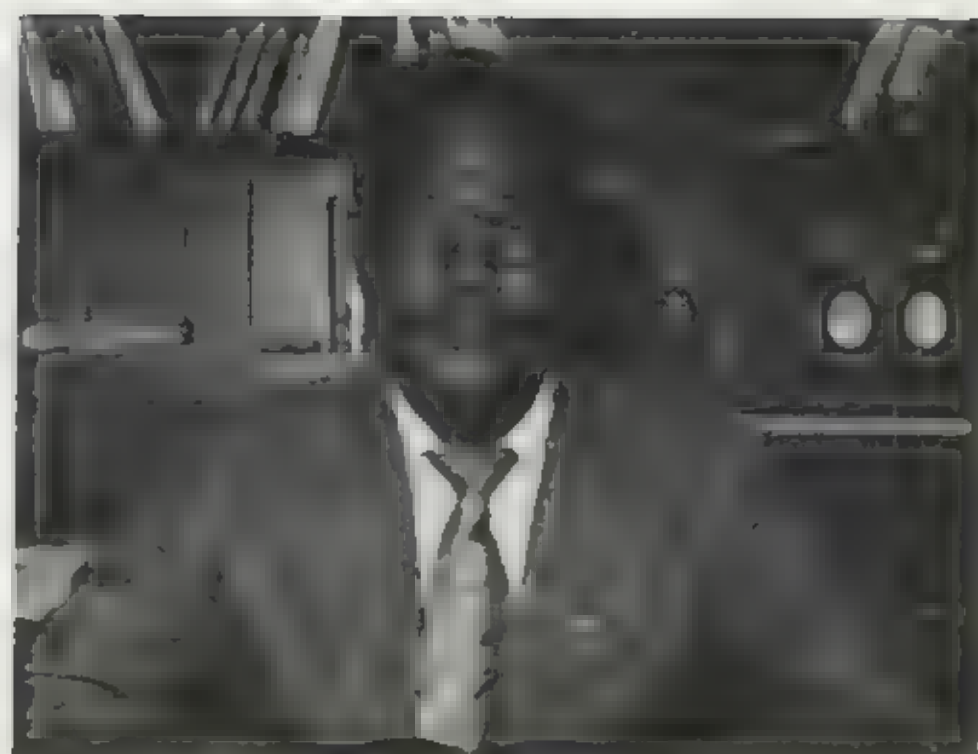

Each principal of our school has been dedicated to helping Berkner High School grow and mature.

Since the doors opened, Smith Markham has guided Berkner to the high standards known to us now.

The students and faculty feel privileged to have such a fine group of administrators.

Secretaries Attend to School Operations

Each secretary at Berkner has an important role in maintaining the effective operation of school business. From checking attendance slips, answering the phones, assisting the principals, teachers and students to keeping the school's funds organized, every secretary finds her day filled with dozens of duties that make up our efficient school management

Students Guided by Counseling Staff

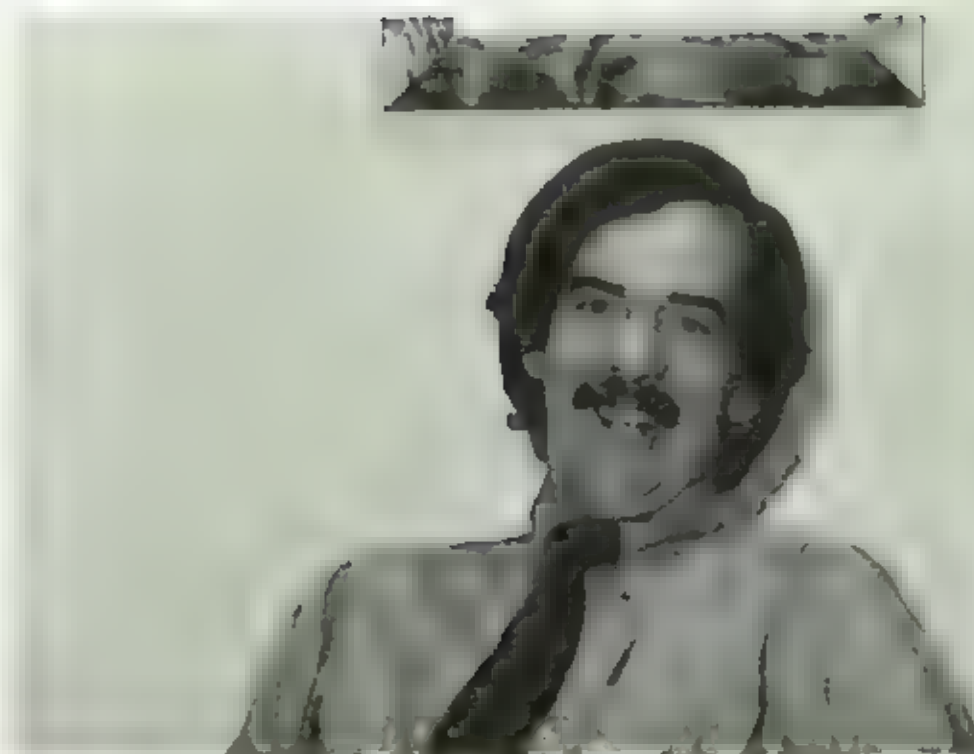

The counseling staff provides a valuable service that every Berkner student uses during his high school years. The counselors handle pre-registration, schedule changes, credit checks and are always available to each student to provide help for solving personal problems

Registrar's Office Schedules Students Classes

Making sure that all 2,475 Berkner students manage to get in the right class at the right time is the duty of the Registrar's office. Enrolling and schedule planning for all new students to the Berkner area is also one of the many tasks this busy office must handle during the school year.

Librarians Provide Learning Experiences

Whether through books, or through audio-visual aids, the Berkner library offers every student new paths in learning. This year our library has added several thousand new books to its collection

Books, materials and learning aids come in regularly, making our library the place to be, the place to come, the place to become.

Janitors, Cooks Work Behind the Scenes

While many of us are still sleeping, the men and women who maintain the building and prepare our meals are busy at work.

In order to prepare and serve over 900 dinners every school day, the cooks and kitchen workers must arrive as early as 7:10 a.m. The ladies that run our cafeteria are interested in preparing and serving the best possible food in the quickest possible manner.

Keeping the school clean is another large task that falls in the before and after school hours. Custodians work in different shifts, some leaving the building as late as midnight. They also must work on many of the school holidays in order to keep Berkner clean and maintained.

These people are an essential part of the path that we walk on at Berkner High School.

Council Hosts Kids

The 1979 Berkner Student Council had a year of many activities. They started the year out by sponsoring a dance in the fall. As Thanksgiving time rolled around, the student council asked students to donate cans for needy families. At Christmas the students bought gifts for the children at Rhodes Terrace Day Care Center.

As the year progressed on the kids from Rhodes Terrace came to Berkner at Easter for an Easter Egg Hunt and lunch.

The Council ended the year with the Superstars Competition, Celebrity Banquet, elections for next year's council, and an induction for the new officers.

The 1979 Student Council left its mark at Berkner by donating a tile head of a Ram that is to be placed in the new auditorium upon completion.

Bandolera's March to Honors

The 1978-1979 Berkner Bandoleras finished the school year off on a good note. All that hard work and practice was well rewarded.

Following line try-outs last April, the drill team began their daily morning workouts. Thursday nights during football season were dedicated to the preparation of the half-time show. They also performed at four half-time shows during basketball season.

Preparations for the annual spring review took over eight weeks. The show, entitled "A Galaxy of Sound," was a take off on "Star Wars" and featured several skits that began with primitive man and ended in the 1980's. Lori Leichenring was chosen as Bandolera of the year at the review.

This year's drill team brought many honors home to Berkner. In every competition they entered they always won first place. At the American Drill Team School they won first place trophies in marching, creative routine and two trophies for the officer's at their camp. They also won a superior rating at the Miss North Texas Drill Team Competition Pageant.

Band Ranks "Class of Class"

This year has been an exciting one for all of Berkner's bands. At the U.I.L. competition, the Symphonic II band came home with excellent ratings in concert and sightreading. In their first year of performing the Concert Band also had excellent ratings. In April, the bands went to the Galveston Music Festival. There the Concert Band received excellent ratings while the Symphonic II Band received superior ratings.

Weeks of summer rehearsals and early practices, paid off for the Ram Marching Band this year. In October, the band went to the S.M.U. Band Day, at the Cotton Bowl. Marching to their contest show of the arousing Copacabana and presenting the new drum corps style, the band received the first place trophy and \$1000 monetary award. In November the band attended the U.I.L. Marching Contest. Here they received superior ratings and were titled "The Class of the Class", by the Judges.

The Marching Band also took a five day trip to the Six Flags Over Georgia Band Festival. There they competed against 49 other bands only to receive straight I ratings and knock out last year's winners.

Orchestra Adds Talents

The Berkner High School Orchestra is a growing organization. This Fall they combined with the three junior high schools for a Christmas Concert at Berkner High School.

Even though they are small in number, several students have obtained honors this year. Nine students participated in the All-State Orchestra held in Fort Worth in February. Five students also participated in the Richardson Solo and Ensemble Contest and received superior ratings.

This year the orchestra also was able to attend a Dallas Symphony Young People's Concert in April which proved to be very inspiring.

In May Berkner and Lake Highlands' Orchestras combined to perform at a PTA sponsored concert.

Key Club Runs to Paris

The Key Club has had a most prosperous year. They did the usual school service projects such as cleaning the fountain in the courtyard and this year they expanded their region of concern by undertaking the largest and most elaborate service project ever undertaken by a club in Berkner history.

The Key Club made a shuttle run to Paris, Texas for the Texas Association for Retarded Citizens. The club was able to raise 700 dollars for their cause. They started at 6 a.m., December 2nd, and completed the run later that night at about 8 p.m. The run involved 25 of the Key Club members. Led by sponsor Mike Davis the run began at the steps of Berkner and ended in Paris with president of the club Rick Mozley.

Besides this undertaking the club had two campouts, held the slave sale, sponsored the sweetheart dance, and ended the year with a trip to New Braunfels. Overall the Key Club had an enjoyable, prosperous, and exciting year.

Keywanettes Decorate Lockers

Remember when you wondered who was always decorating the football players lockers before each football game? Well, it was the Keywanettes who worked secretly, without the football player ever knowing who did it. At the end of football season, each player was told who his secret decorator was.

This kept the Keywanettes busy during the fall, along with selling plastic "RAM" cups as a money making project. But, they were involved in many service projects also. They visited the Buckner Orphanage and took a group of children to the movies. They also helped out the Richardson Kiwanis Club with their Pancake Day Project.

Time to relax and have fun came for the Keywanettes when they went on a campout with the Key Club.

Peppers Keep Up Spirit

The Pep Squad participated in a variety of activities this year. Besides practicing two days a week during football season, attending all football games, going to the home basketball games, participating in all pep rallies, the girls also found time to decorate the football players' houses before each game and decorate the basketball players' lockers.

They also marched in the annual Richardson Christmas Parade and sold carnations for Valentine's Day. Added to all those numerous activities, they also teamed up with the cheerleaders to give the football and basketball teams a mini pep rally.

They started off the year with a new sponsor after going to Drill Team school at SMU for the first time in the summer. The newly chosen officers took charge of the group after trying out for that time-consuming job.

Blending Voices Harmonize in Choirs

The Berkner Choirs had a year filled with concerts. They performed their Fall Concert at Liberty Junior High Gym in October and held a Christmas Concert at Greenville Auditorium in December. Both concerts were combined with talents of both Berkner Choirs, Apollo Junior High's Choir, Liberty Junior High's Choirs, and Richardson Junior High's Choirs. In May they held a Pop Concert at Berkner.

Besides these traditional concerts the choirs sang at Olla Podrida, Northpark Mall, Richardson Square Mall, and at the Richardson Public Library around Christmas time.

At U.I.L. contests the A'Cappella Choir, consisting of 38 members, received a rating of I in Concert and a rating of II in Sight Reading. The Junior Varsity Choir, consisting of 49 members, received a rating of II in Concert and a rating of III in Sight Reading.

Singers Place in Solo and Ensemble Contest

Seniors Cheryl L'huillier, Christia Prather, Suzanne Puig, junior Laura Standefer, and sophomore Natalie Withers were selected to represent Berkner in the All-Region Choir

At the Richardson Solo and Ensemble Contest held in February the choirs placed 11 members in first division standings and 6 members in second division standings. At the U.I.L. Solo and Ensemble Contest held in March at Plano High School the choirs had 10 members in a first division standing and 11 members in a second division standing

With these type of fine performances by Berkner Choirs the future should be filled with many more concerts and contest wins

Explorers Seek Sun and Adventures

Explorer Post 477 lost one of their best advisors last year, John Mitchell, a former teacher and advisor at Berkner. This year Post 477 gained Steve Wilson, one of Mr. Mitchell's closest friends, as their advisor.

The Post had many activities that brought families and friends closer. They visited Lake O'the Pines, Turner Falls, Wichita Wildlife Reservoir, Clements Scout Ranch, and a canoe trip to New Braunfels.

Explorers is a high adventure club that also carries on activities through the summer. This summer they plan to go to Philmont, New Mexico or take a canoe trip to Wisconsin.

Yearbook Staff Does It Annually

The 1979 Yearbook Staff accomplished the task of finishing an annual with a busy year

The staff worked hard typing, drawing layouts indexing, and writing copy. After many hours of hard work they took time out to have a coke party

This year's staff had a unique job in many ways First of all they had to figure out a way to include over 2,500 students and faculty members pictures in a 312 page book, without leaving anyone out Also unique this year was the fact that at the beginning of school there was no staff. But with a lot of volunteering and cooperation on the part of the counselors, they finally got together and by second quarter they started putting together the book

The school year almost never ends for a yearbook staff. After the last school day they stay behind to finish up all the last pages. Then in July they begin a workshop at SMU and all the planning stages for next year's book

Hard work and dedication goes into a yearbook, and this year's staff had plenty of both

FCA Hosts Marathon

The girls and boys FCA had a busy year aside from their participation in sports. These activities included many fund raising projects.

The week before Christmas vacation, mistlegrams were sold during the lunches. Also in December was the secret angels in which a member of the club had a secret person put candy and other treats in their lockers.

FCA also attended the Texas State Convention in February which was held at the Dallas Convention Center.

The biggest event of the year was the 19 hour marathon basketball game that the FCA held in March. Through pledges and donations the club collected over two thousand dollars to enable them to attend summer conferences and camps.

Rampage Keeps School Informed

This year brought many new changes to the **Rampage** as a new editor and a new sponsor took over the task of getting out the school newspaper. Combined with a hard working staff, the paper was published monthly throughout the school year.

Staff members were small in number, but mighty in determination to make our newspaper an award winning one. And win awards they did. The Berkner Rampage was selected as an all-State school paper in the class 4-A division.

Editors and reporters also attended a High School Press Day that was held at Richland College and the Interscholastic League Press Conference in Austin in order to learn ways to improve their craft.

Drama Steals the Show

The Drama Club started their year off with their fall production *Never Too Late*. They immediately followed with a children's play for the Richardson Council of PTA's Scholarship Fund, an exciting melodrama *Tillie the Teller*.

The third year drama students, known as the Starshine Players, produced a one act play called *The Interview*.

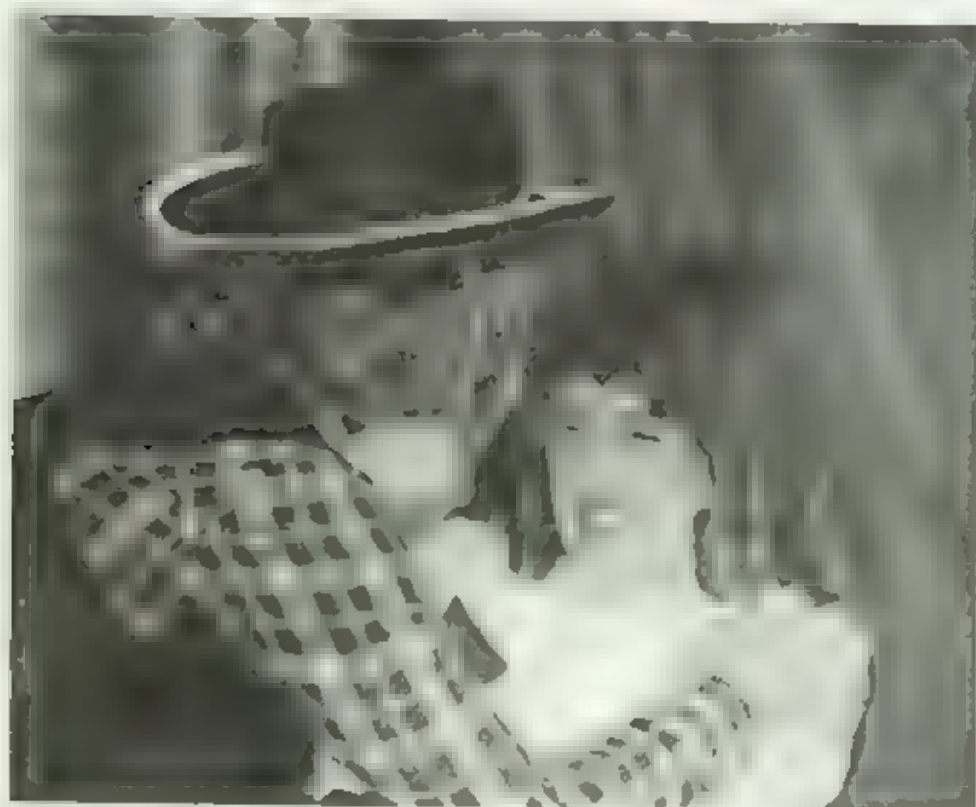

The Drama Club has had numerous activities including cast parties following each production, a Halloween party, Christmas party, Spring Banquet and an exciting trip over Spring Break to New York City.

At their March UIL competition the drama club participants presented *Mr. Flannery's Ocean*. This fine production brought awards to Donna Jarvis, honorable mention all-star cast Jim Ball, all-star cast, and Vicki Vahrenkamp, best actress in zone contest.

Members of the drama club are looking forward to the 1979-80 school year when they will have enlarged facilities in the new auditorium.

Car Club Collects History

The 1978-79 edition of the Royal Berkner Society of Historical and Collectable Automobiles (Alias: Car Club) proved to be one of the most successful clubs of any second-year club in Berkner history. With the coming of the new year the members of the club celebrated 1978's death with their annual bear hunt in the savage jungles of McKinney, Texas

After recuperating from this, they combined their talents to come up with a new film, "Street Shark" starring John Sweeden, Eric Vandergriff, and Barry Smith

Literary Magazine Publishes Original Compositions

The staff of the 1978-1979 Literary Magazine at Berkner is comprised of eight members of the National Honor Society. The staff was designed to assemble a short magazine containing poems, short stories, and other compositions by English teachers and approved by the staff and the sponsor, Mrs. Jean Duffy. Upon completion of this unique collection, copies were made available for all to enjoy. Berkner is to be proud of its literary talent.

Honor Society Inducts New Members

In order to be accepted into the National Honor Society, a student must excel in scholarship, citizenship, leadership, service and character. Members of the faculty rate candidates in these areas.

Membership is limited to ten per cent of the Senior Class, seven per cent of the Junior Class and five per cent of the Sophomore Class as provisional members.

This year 57 new members were installed. The induction ceremony took place on May 8 in the Berkner Cafeteria. The officers and Mr. Markham officiated and refreshments were provided by the current members.

Sponsor for the National Honor Society is Mrs. Jean Duffy.

Students Who Strive for Excellence Make Junior Honor Society.

The N J H S is a club set up to honor freshman students who make above average grades. All the students must have an average of 85 overall and an A in citizenship.

This spring they inducted thirty new members that meet the requirements. A student receiving this type of honor is to be commended. Many of these students take above average class and carry very heavy subject loads.

Sponsors for the National Junior Honor Society are Mrs. Leighann Hilbun and Ms. Linda Wren. They installed the new members at an induction at Liberty Junior High School on May 10.

JETS Win Contests

JETS is an organization for students interested in science, engineering, and technology and possibly a career in one of those fields. This organization, headed by Mr. James Stockton, explores many possible career opportunities and college options.

This year JETS members visited NTSU and later Texas A&M on a career day to tour the campus and explore new scientific advancements. The annual NEAS test was held in early spring as a supplement to local testing programs. Joel Glenn received a scholarship as a result of this test.

The Annual State Conference was held at Texas A&M in March. Members competed in their tests in various fields of science and mathematics. JETS members also attended a banquet of the Dallas engineers to become more knowledgeable in this field and to learn of available scholarships.

Spanish Club Features Culture and Fiestas

This year's Spanish Club's activities could be summed up by the one word fiesta. They started the year planning many fun filled events for their members

The group held a Christmas party at the home of a member that was highlighted by a dinner of Spanish foods

Club members also performed a South American dance from the country of Peru as part of the entertainment at the Foreign Language Banquet held in the Summit.

To add to their knowledge of the Spanish culture, the group toured S.M.U.'s museum of Spanish Art

Latin Revives King Tut

The Latin Club's year began brightly with an initiation of officers at Reggio's Italian Restaurant on October 17.

For the celebration of Christmas cheer and good tidings, several of the members joined Mrs. Florea at her house for a gathering.

But the highlight of the year was the International Banquet that was held in the Summit by all the foreign language clubs. The entertainment provided by the Latin Club was a dance routine to

King Tut. The six male belly dancers were Scott Ward, Eric Tooley, Danny Ashe, Richard Bradley, Kelly O'Connell and Kevin Ganci.

Members of the Latin Club came dressed to the banquet in Togas to emphasize the international theme. They also provided part of the dinner to make the night a huge success.

HECE Allows for Career Expansion and Training

This year HECE members spent many long hours both at work and working on club activities. They started out the year by selling Ram Key chains for a fund raising project. They also sold candy in the fall. The money made in their ventures went to good use when they held their annual Employer Appreciation Banquet in April.

They also held a Senior Breakfast in May to honor all seniors leaving their club. Aside from these and many other activities the club participated in their year, they also found time to collect clothing for the Dallas County Children's Emergency Shelter.

HECE is a vocational program offering on the job training in fields related to home economics such as food service, child care, clothing assistants, physical fitness and dietetics.

VICA Members Seek Opportunities

The VICA Club had two major fund raisers this year — selling candy, and helping inventory at Sears. The club had leadership activities for the officers. The conferences were in Corsicana, Houston and Waco. Their other activities included a visit to Richland College, the Verson Steel Company, Lincoln Technical Institute, Southwestern Medical School, and Channel 13 TV. The VICA Club had a busy year and are hoping next year will be even better and busier.

Besides the busy hours these students spend on fund raisers and club activities, they spend many hours at a job. The students leave school earlier in the day and while many are still in class, they are at work and beginning a busy day. VICA students are proud of the opportunities they have to combine their school work and job through their club.

In appreciation of their employers, D.E. participated in this year's Employer's Appreciation Banquet held at the Fairmont Hotel.

Students interested in this type of club should contact D.E. sponsor Mr. Gable.

D.E. and V.O.E. Improve Job Skills

The Berkner chapter of V O E has had a year of many new experiences. During the year they toured several prominent businesses. Some that were included on their tours were Otis Engineering in Carrollton, Executive Secretarial School and Fidelity Union Life Insurance. They also listened to guest speakers at the Dallas Court Reporting School, Southwestern Bell Telephone and Sears.

Aside from these activities, several V O E students participated in competitive events and a youth leadership conference held at East Texas State University. The club held an Employers Appreciation Banquet at Granny's Dinner Theater which involved over 80 guests.

There were 33 members in the program this year. All students were employed in office type positions, such as banks, doctor's offices, automobile agencies and others.

VOCT Develops Leaders

The 1978-1979 VOCT clubs opened their year's activities by attending the Fall Youth Leadership Workshop. At the event Davis Kring was the Acting Area Treasurer for the opening and closing ceremonies.

Other activities they participated in included field trips to the Dallas County Jail and District Court Trial, the Marsalis Zoo, and to local stores for market comparisons. They also entertained their employers at an awards dinner held at Ships Round.

In order for VOCT to hold these activities they spent many hours raising money. They sold candy and held a paper drive to fill their bank account. They also held a breakfast meeting to raise funds to attend a state contest.

Both chapters have had a busy year learning a vocation, raising money and attending high school.

Students Speak Out in New Club

There was another first here at Berkner as a newly organized group made its way into Berkner's history. This new group is the Speech Club.

The sponsor for the new club is another newcomer to the school, Speech teacher, Richard Gilman. Although the club is new they participated in an assortment of activities. Some of their activities included hosting a junior high and high school tournament, selling M&M candy to raise money and electing Suzanne Chase as Speech Club Sweetheart. The group also attended twelve speech tournaments, winning a total of nine individual trophies and winning sweepstakes at one tournament. The club had a prosperous year, considering that most of the students who participated in these tournaments had never done anything like it before.

To highlight their first year, the club held a formal spring banquet on May 28 for all members and then went to Six Flags in June after school was over for the year. Speech club members anticipate another good year in 1980 with many of its members returning.

AFS Hosts Visiting Foreign Students

In order to host one to four foreign exchange students, the Berkner AFS club must raise 8975 dollars per year. This year the club sponsored the Berkner Dallas Tornado Soccer Assembly in December. This enabled Berkner exchange students Kendall Lee and Chris Kovarik to go to Chile and Germany

The club's activities included social get togethers at student's houses, an International supper with other RISD AFS chapters, Six Flags and the Mesquite Rodeo, picnics, trips to the Ft Worth museum and a special end of the year outing to a fine foreign restaurant

Another special activity included a short term exchange with students hosting some visiting exchange students from the Yucatan, Canada and South Africa for one week in April

The Environmental Club started out the year with a September camping and nature appreciation trip for three days at Lake Texoma. During the fall months, they worked very hard on the Richardson Environmental Action League Recycle Day Contest and won second place with a \$200 prize.

During the fall they also spent some interesting afternoons helping clean up the Richardson Environmental Study Center. The week before Christmas added to their bank account by selling candy canes during lunch periods.

In mid March the club took another three day camping trip to the Big Thicket and to Sea Rim State Park on the Gulf of Mexico. The year was finished out with another clean up day at the Study Center and a farewell picnic for the departing seniors.

Excitement

Excitement Displayed in Varsity District Opener

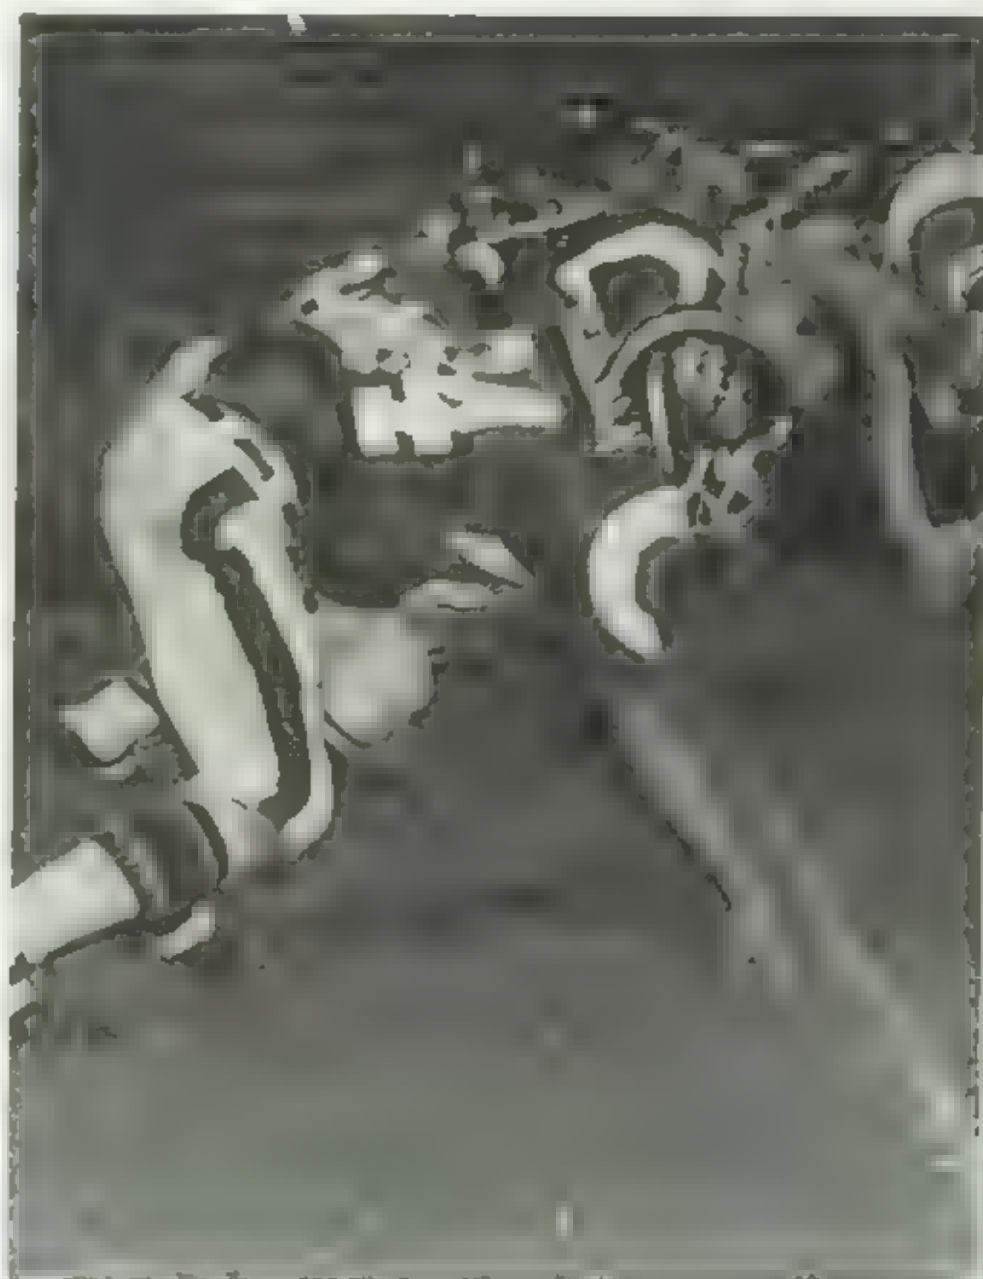

Although the '78-79 Ram Varsity football team closed out its season with a record of 0-9-1, the season offered some highlights. Once again the district opener against Richardson High School proved to be one of the most exciting games of the year. The Ram team exploded to score all of its points in the first few minutes of the game and led at half-time. Richardson was held by the Rams all through the game only to score in the last few minutes and defeated Berkner 14-13. Another exciting game was the scoreless Homecoming against Pearce. This year's Ram team's attack was headed by leading scorers Vic Manon with 24 points and Joe Lehmer with 18 points. Heading up the defense was Kerry Agee with 73 tackles and Steve Lewis with 4 interceptions.

Steve Lewis was also selected for All City 1st team. Among those being Chosen for All City 2nd team were Kerry Agee, Ricky Montgomery, and Garry Brown. Receiving Honorable Mentions honors in All District selections were Tim Snellgrove, Gerald Bright, Steve Lewis, and Rickey Montgomery. Brandon Flowers was chosen Sophomore of the Year. This year's team was led by tri-captains Tony Brown, Steve Lewis, and Paul Stone.

JV Teams End Matched Season

The Junior Varsity football team had their ups and downs this season en route to a 1-9-0 for the Green Team and a 1-8-1 record for the White Team

The Green Junior Varsity Team edged out their only game against the Pearce Mustangs with a score of 14-13. The White Junior Varsity Team got their only victory at the hands of the L. D. Bell team with a score of 12-8. The Junior Varsity Team also came close to getting another victory in an exciting game with Lewisville. The game ended in a tie score of 6 to 6

Basketball Turns Over a New Leaf

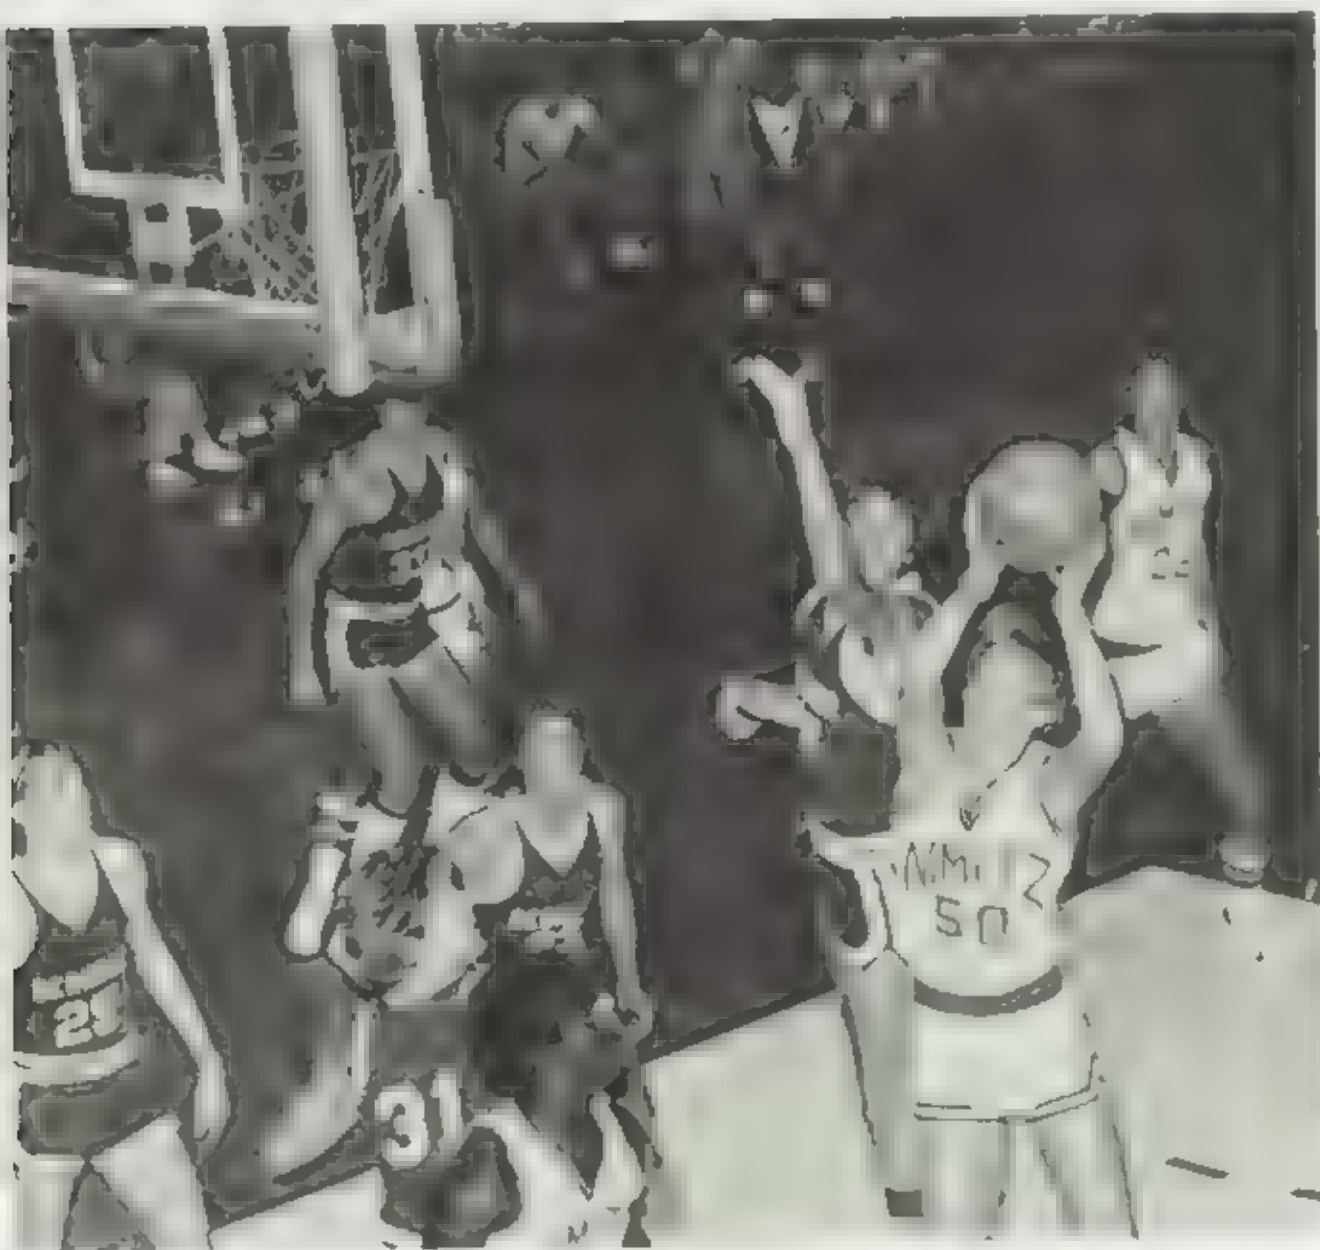

The 1978-79 Boys Basketball team turned over a new leaf on Nov. 18 as they began their '78-79 season with a new coach, Ron Nicholas. Coach Nicholas had previously coached the J.V. Basketball team at Richardson High School.

The Rams concluded the season with an overall record of 11-16. The individual statistics were good, however, the team statistics were low.

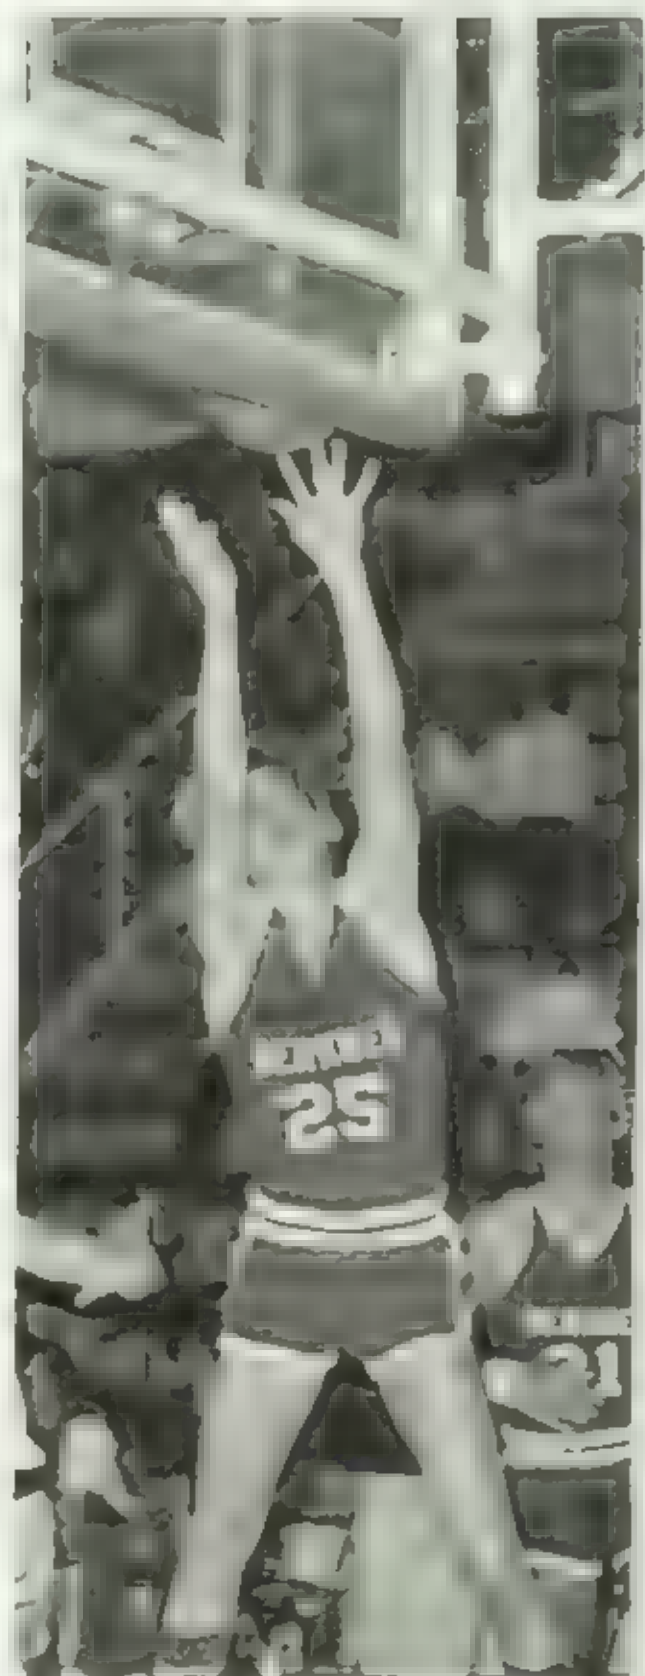

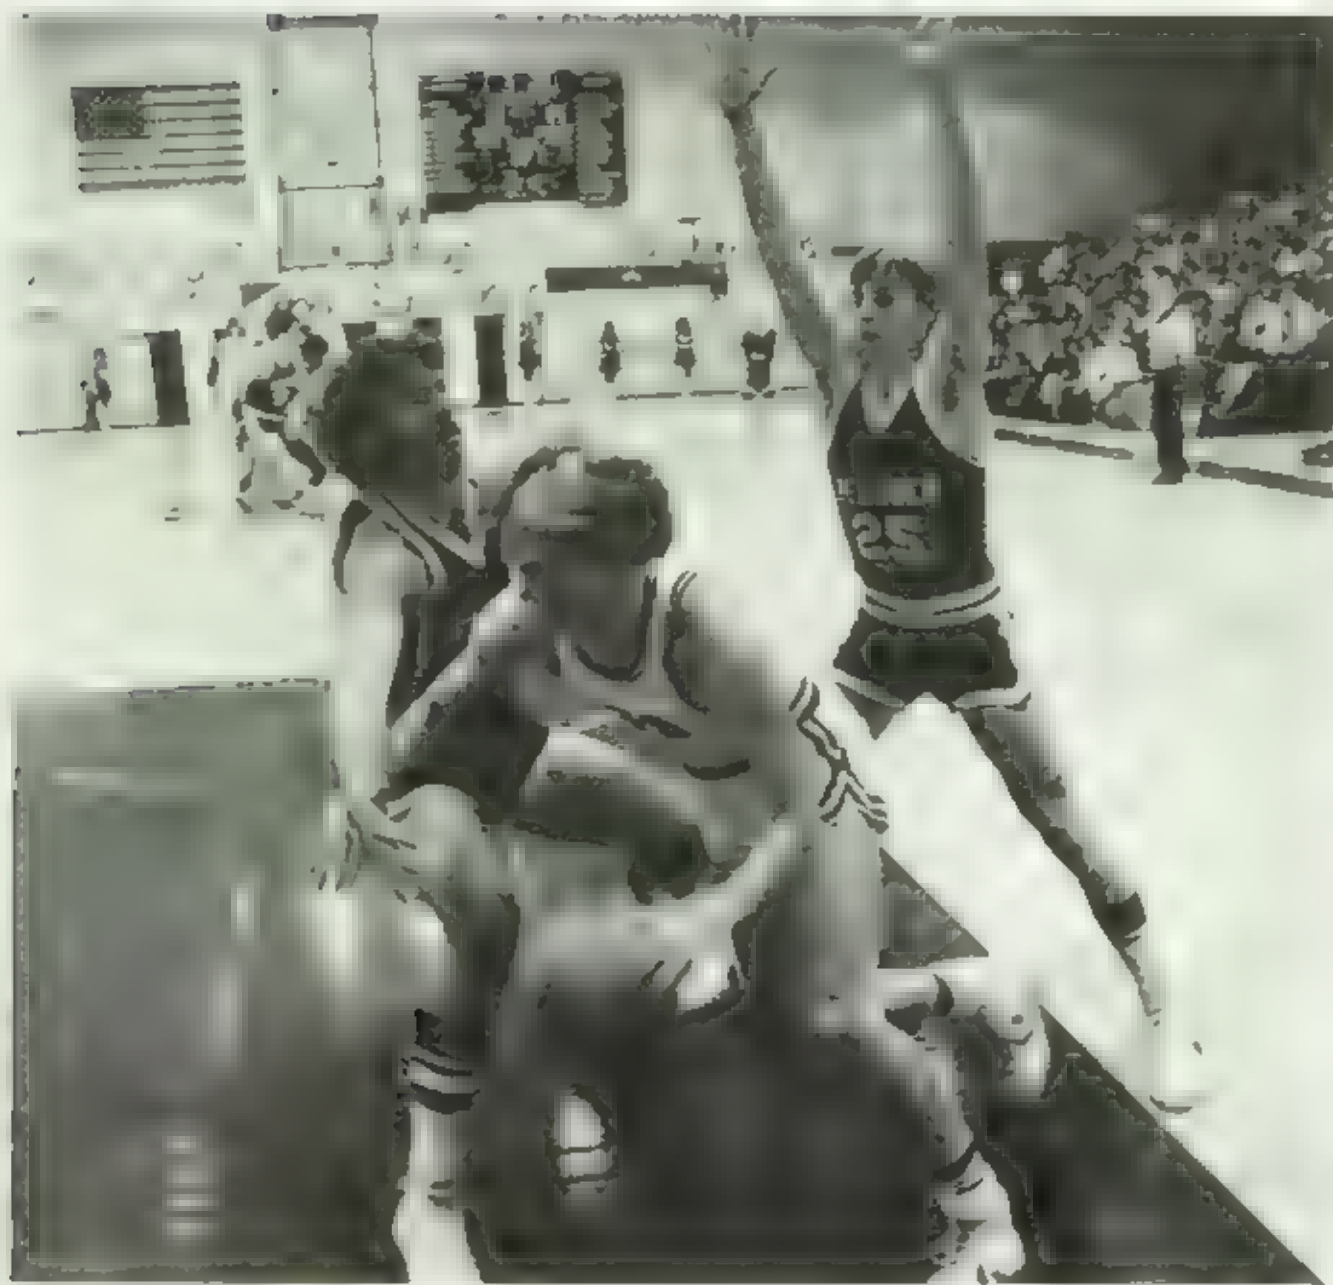

Senior Tim Englund led the team in scoring with a total of 124 points, and in assists with a total of 71. Jeff Frasier, also a senior, contributed to the Ram scoring attack with 54 free throws made out of an attempted 79. This made his free throw average 68.4 percent. Russell Phemister led the team in rebounds. The 1979-'80 team can look forward to an exciting and victorious season next year with the help of a coach like Ron Nicholas and the experience gained by players moving up from the J.V. Team.

Girls Basketball Shoots for District Win

The 1979 Berkner Ram Girls Basketball Team ended one of its most successful seasons with a record of 24-8-0 and 12-2-0 in district. The Girls finished with a sound second place win in district action. This is the best performance they have had since entering district 13-AAAA.

With such a successful season the Ram Team grabbed many honors. Chosen for First Team All City was Junior Kim Garron and Junior Cindy Hall for Second Team All-City. Honorable mentions went to Junior Vivian Fields and Senior Edwina Wright. The Rams Coach Carole Champion was selected Coach of the Year and Senior Paula Lake was selected Player of the Year.

The Rams and all of Berkner are proud of the performance the Girls team has put forth. The Rams hope to see continued success in the future.

Girls JV Team Has Close Games

The Junior Varsity Girls Basketball Team closed out its season with an even record in district of 7-7-0. In overall competition they ended their season with a record of 19-10-0. Their season was filled with some close games. The J.V. Rams defeated Sam Houston, Richland, Azle, and Mesquite by only one point. In the three game series they played with Richland Middle School of Ft. Worth, they lost two games by only one point and won one game by one point.

In district action the Rams only lost their games by an average of nine points. This is an accomplishment to come so close to beating league leaders like Richardson. Next year's Varsity team should dribble along fine with these experienced J.V. players.

Varsity action will be led by players like Cindy Hall, Kathy Splawn, and Debbie Braden next year. These young ladies will value the experience they have gained as a member of the J.V. squad this year.

Team Provides Excitement

Awards given at the Sports Banquet were to Tim England for M.V.P. and Coach Talley started a "Super Attitude" award given to Mark Davis, Jeff Frasier, and Johnny Price

The Rams provided their fans with plenty of excitement and were not out of the playoffs till the last day of district. The Plano Wildcats and the Rams were tied for the second half race and in the deciding game Plano ended up on top 2-0.

Coach Talley rated this year's team by far the most hustling ball club he might ever have

The team hopes to have another successful season next year when the fine talents of David Deary, Gary Brown, Blake Smith, Richie Johnson, Scott Coole, and Sophomore Scott Freeman return to the squad

Soccer Finishes Second

This year's Ram Soccer season ended with a second place finish in Zone I of district 13-AAAA with a record of 7-9-0. Most of the Ram's games were very close. They lost four games by only one goal and lost five games by two goals.

The leading scorers for this young team were Brian Ervine, Sukil Chong, and Regi Canales. Regi Canales and Sukil Chong were selected as the M.V.P.'s of the team.

Girls Soccer Boasts Best Season

The Girls Soccer team ended its third season of competition with a record of 6-8-0. This was their best season yet. To say team is really incorrect because the girls Soccer program grew large enough this year to enable them to have a Varsity and Junior Varsity team.

The Junior Varsity team had a rough first year playing an abbreviated seven game season and finishing with a 0-6-1 record. But losers they are not, playing with spirit and enthusiasm they were a welcome addition to the program.

The Varsity team abounded with talent and potential this year and although they did not explode into the winning season expected of them, they did record many fine victories and some very close losses to the district's leading teams. Due to many injuries the Varsity team was constantly called on to pull together and work even harder.

Through the wins, the losses, the broken bones, pulled muscles, the floods, and the ninety mile an hour wind storms, the Girls soccer team continually proved that they are made of the stronger stuff that shows character, achievement, and success.

Track Team Breaks Records

The 1979 Track team had a very successful season. This year's team, however, was a young one with only three seniors competing

Four new school records were set this year Kevin Murphy set a new record in the discus and Brandon Flowers set a record in the shot put. Both boys did this feat as sophomores. School records were also set in the 440 yard relay and mile relay. All members of both relay teams will be returning next year

Berkner wound up a terrific season as fourth in the district, and with all the returning talent, next year promises to be even better

Tracksters Run to State

The girls Track Team had an extremely successful season as second place was a rarity to them. First place seems to fit into their style.

Paula Lake and Kathy Vetter were the outstanding seniors who fought it out all the way to state. Paula was high point individual in most meets amidst tough competition, with co-hart Kathy Vetter, keeping her first place 800 meter title all the way to state.

The whole team hung on through injuries to their peers and came out with second in District and Regionals and sixth in State meets.

Our girls Cross Country team shined all season with a continuous array of first and second place trophies. It all culminated with the coveted first place trophy at the district meet.

Kathy Vetter kept her first place individual throughout the season and kept it through the grueling State meet. In Regionals, the girls grabbed second, which placed the team in the sought after State competition.

Gymnasts Tumble Toward Trophies

The Berkner Gymnastics Team had a very productive 1979 season. The Boys' team captured the city title at the City Meet in March. The team placed third at the Richardson Invitational Meet competing against nine schools.

Mike Sims led the Boys' team winning a total of 43 first place honors, including seven medals he won at the State Meet. He represents Texas as the number one male all-around gymnast.

The Girls' team won first place in three tri-meets. They also captured second place at the city meet and third at the regional meet. Karen Hunter, Mary Beth Kartsotis and Debbie Simonetta qualified at Regionals to represent Berkner at the State Meet.

Tennis Team Raises Racquet

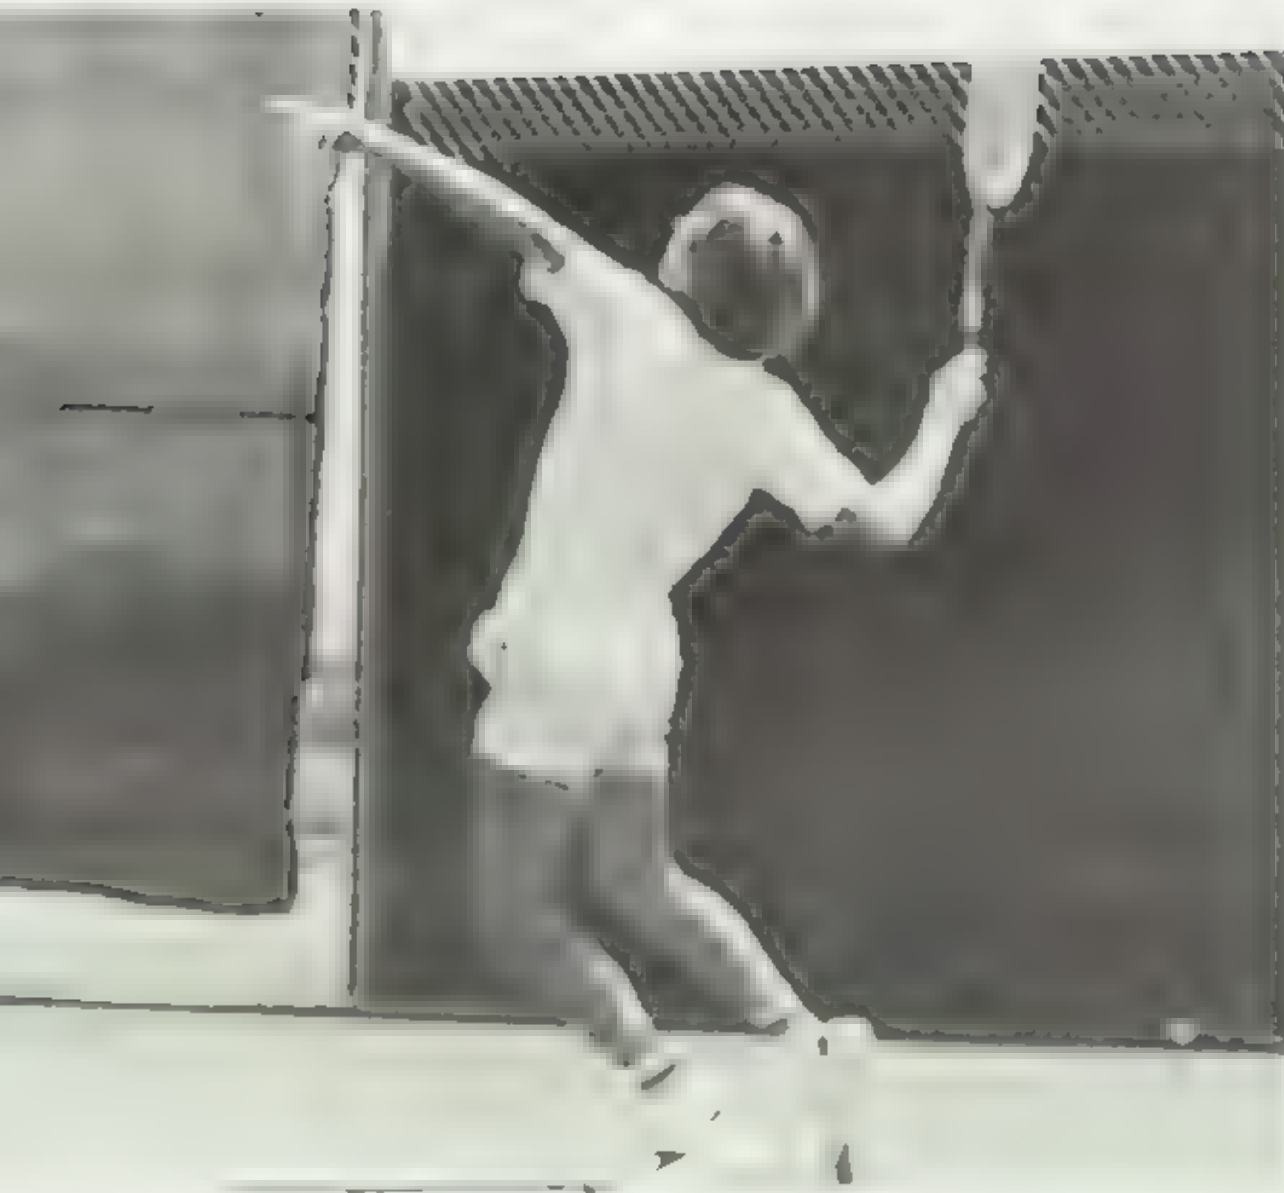

The Varsity Tennis Team played in a numerous amount of tournaments this year. They won in matches against South Garland, Newman Smith, and Denton

Leading the men's team was Charlie Easum while Melissa Garin proved to be the girls number one player. Players Joe Buffington and Ron Taylor played to the second round of the district contest. Doubles team of Becky Rorapaugh and Stephanie Dicke went to the third round of district.

The Rams put in a year of hard work and look forward to many winning matches to follow next year

Wrestlers "Pin" High Goals

The 1979 Ram Wrestling Team set a high goal for the following Ram teams to uphold, as they gave Berkner its best season ever of 9-5. The Rams ended the season with a fifth place finish in district and regionals

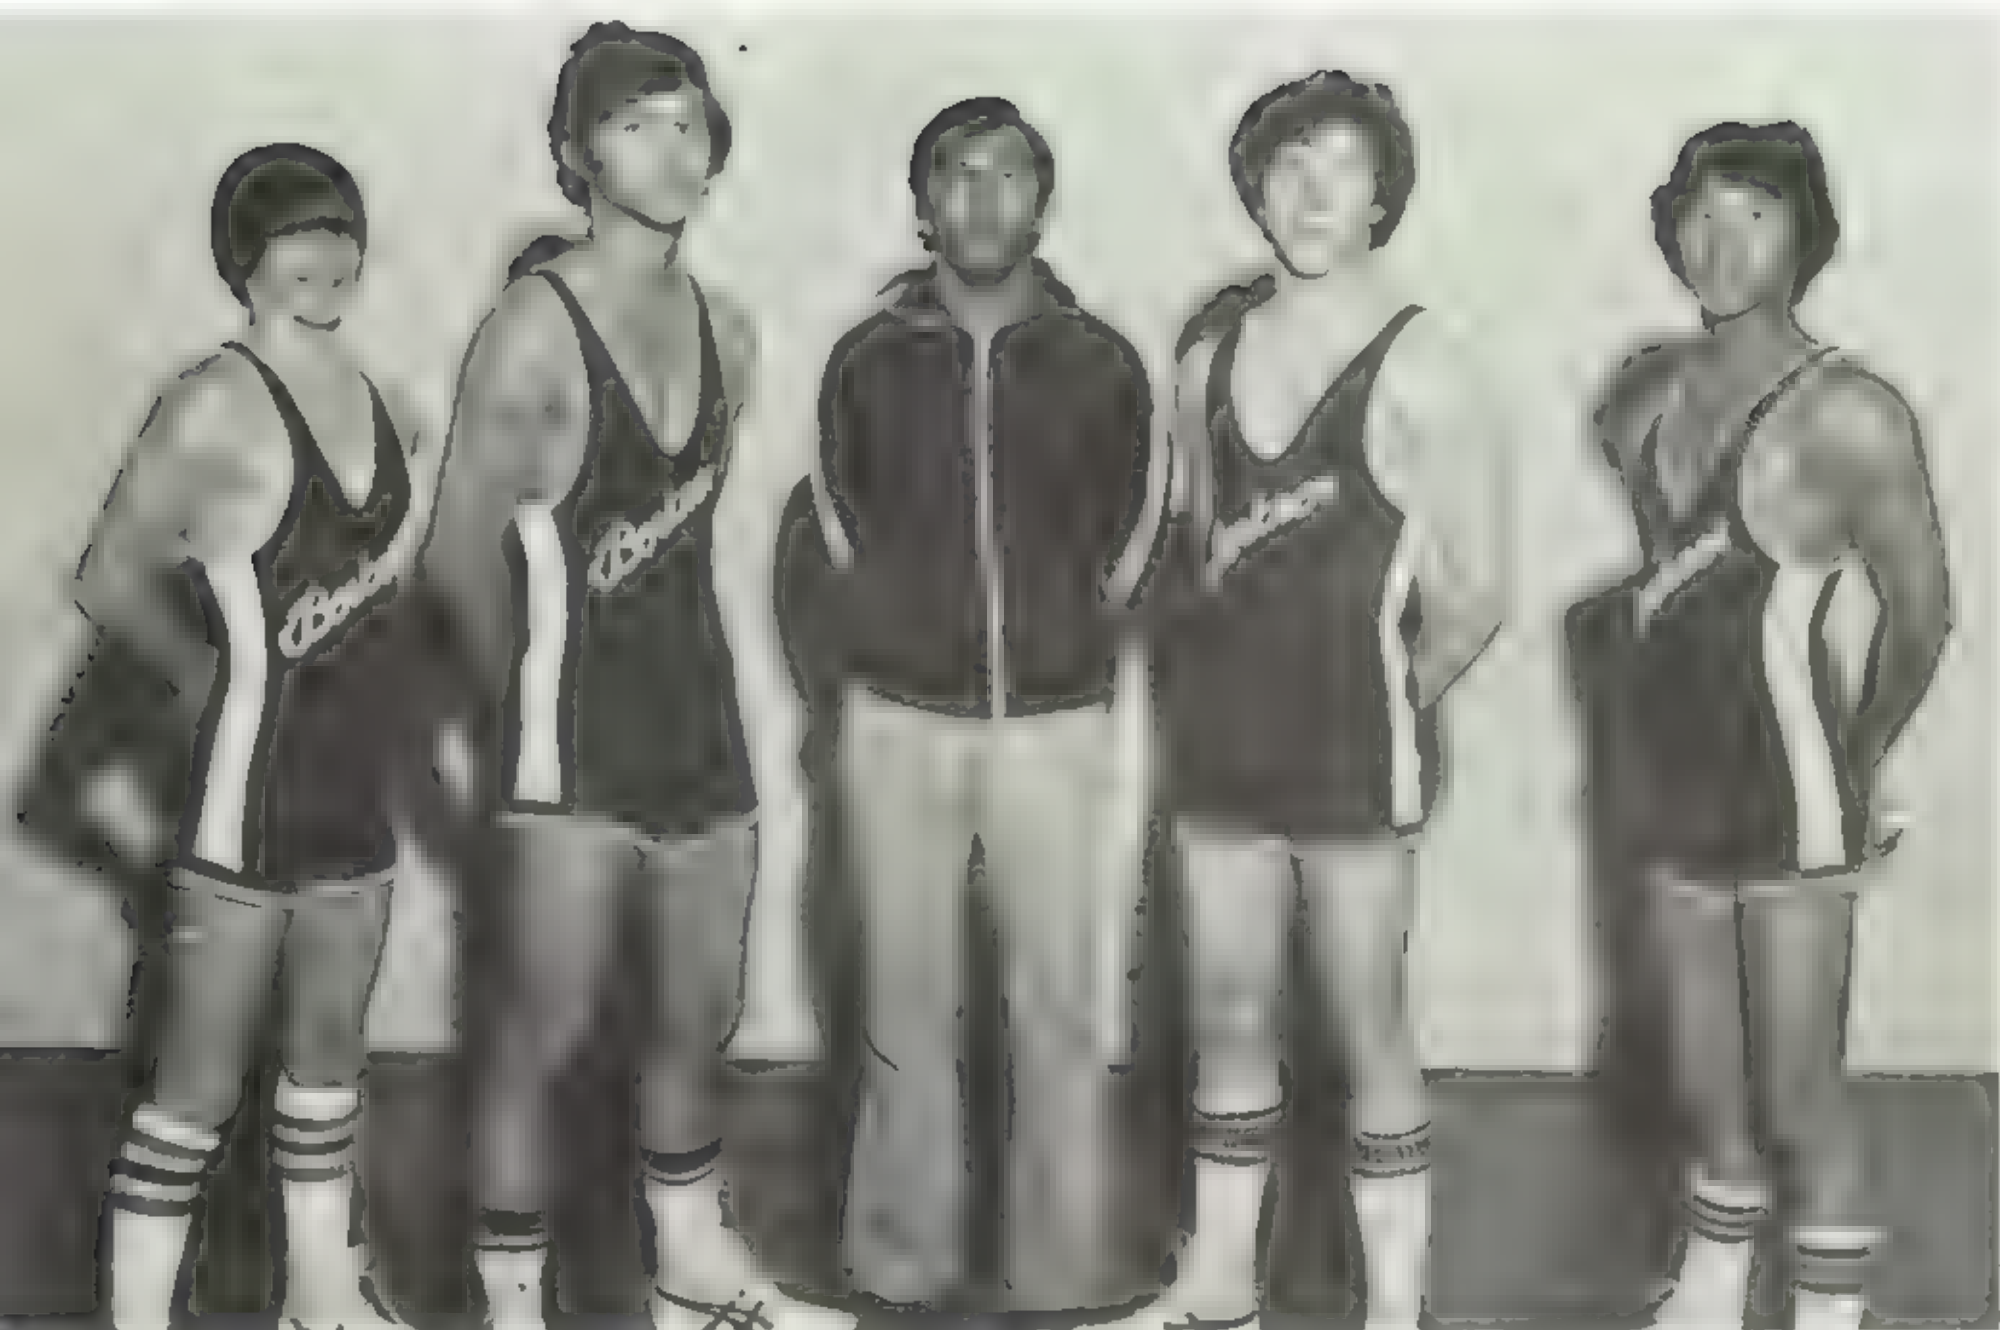

Among their most improved players were Mark Osborne, Orlando Pope, Scott Huffman and David Roob. New Students Bob Sarvey and Ron Taylor greatly improved the team

Mark Osborne and Bob Sarvey both placed as district champs. David Roob and Scott Huffman finished third in district and regionals with Ron Taylor and Orlando Pope following with a fourth place finish in district

Coach Martinez stated that if this year's team is any indication of future teams the Rams should have many more winning seasons

Swimmers Stroke to Meet Victories

The Swimming team ended the season by having 16 qualifiers for the regional swim meet at SMU. This was the finishing glory after bringing home three dual-meet wins and one tri-meet win.

Members of the team earned many personal honors this year. Frank McMinn was named one of the top eight free stylers in Texas while Beth Henry set the new regional record in 100 Butterfly and finished seventh at the State meet.

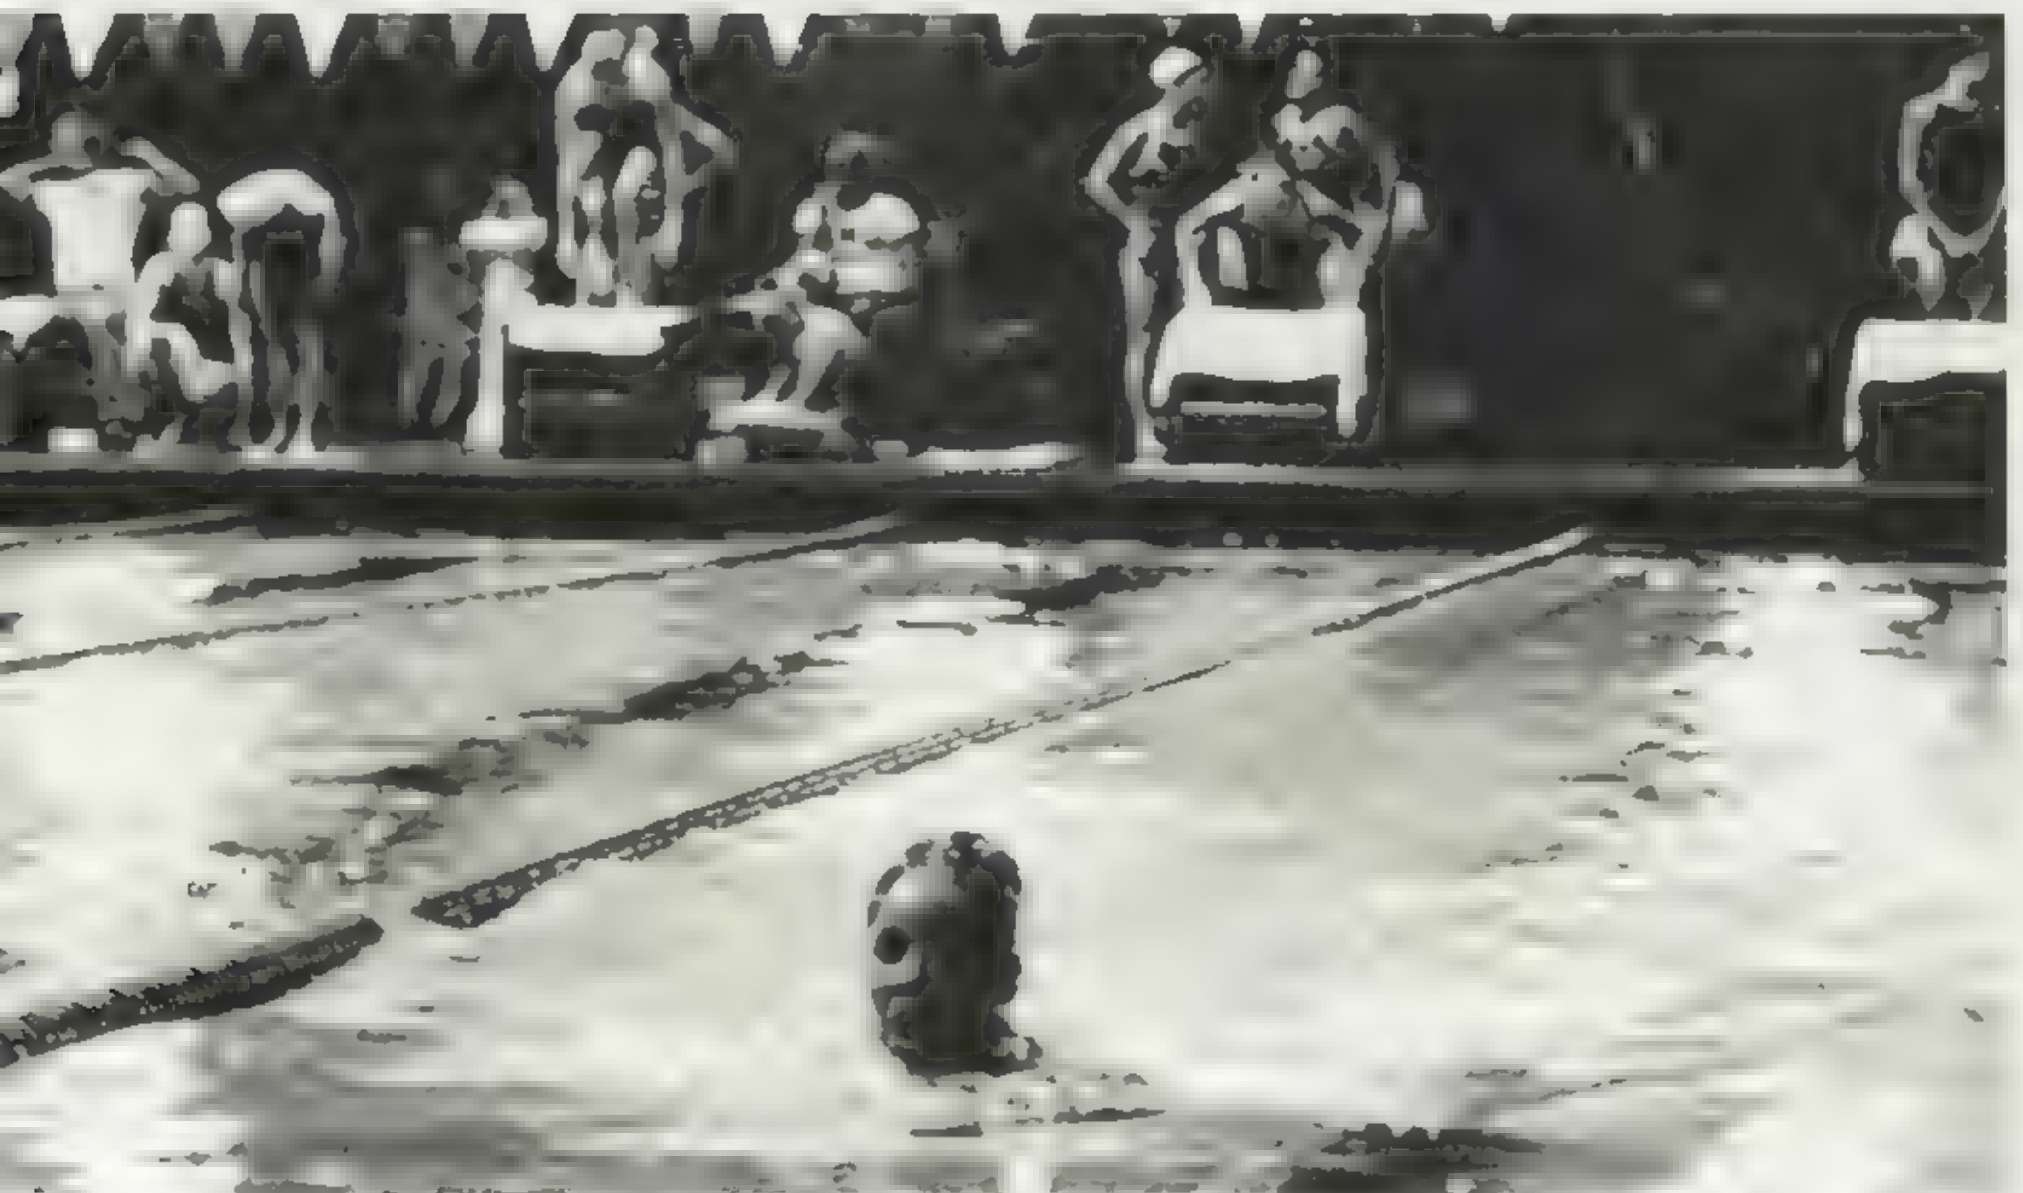

The girls 200 yard Medley Relay ranked in the top 10 in Texas which was an accomplishment that made the whole team proud. They were comprised of Ann Holland, Laura Jack, Beth Henry and Maria Henry. Laura was also named one of the top 20 freestylers in Texas.

Rodeo Team Rides to Challenging Year

Many exciting and challenging moments highlighted the Rodeo Team's year. The team members attended many rodeos, including the Lone Star High School Rodeo.

Members like Melanie Minick participated in barrel racing, Karen Turner in pole bending, and Craig Franklin in bronc riding.

After the rodeos, the team found time to relax by attending a dance sponsored for rodeo participants. Overall the Rodeo Team is an exciting addition to the Berkner sports arena.

Golf Teams Swing Successfully

The Berkner Men's Golf Team proved to be one of Berkner's most talented Varsity Golf Teams ever. Before district competition the Rams competed in seven tournaments. In the seven tournaments they competed in they finished first in two of them, second in two of them, third, fourth, and fifth in three different tournaments.

Greg Morrison was a second place medalist in the Irving Tournament, and a seventh place medalist in the Denton Tournament. Greg Tubbs was a fourth place medalist in the Wichita Falls Tournament.

One of the Ram's victories was in the Fifth Annual R I S D High School Golf Tournament. This was the third victory the team had achieved in this contest. Greg Tubbs was a first place medalist. Greg Morrison was a second place medalist, and Denton Acrea was a fourth place medalist in this competition.

After all this action the team placed third in District 13-AAAA. Greg Tubbs was first place medalist in the district and picked Most Valuable Player. Greg was also selected to the first team All-District. This accomplishment allowed him to compete in the Regional Meet in Denton.

The Golf Team will only lose one starting golfer through graduation. They are looking forward to another successful season.

Final Thoughts . . .

Amazingly enough you are reading your completed annual! Many times this school year we doubted that it could be done

Despite black negatives, out of focus pictures, hours of indexing, late night and early mornings at school, skipped meals and classes, staff members who moved and being over-come by fumes in our janitor's closet turned darkroom, we finally made it to the last page

We hope our accomplishment serves as enjoyment, laughs and pleasant memories for you throughout the years to follow. To us, being able to have the opportunity to put this annual together for you has meant more than words can express.

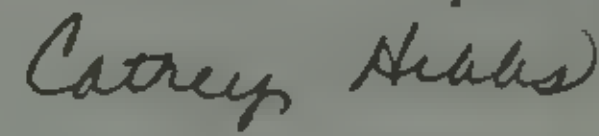

There are so many people that deserve to be thanked for all their help that we could not possibly name them all here. However, we must give our special thanks to a few people who gave so much of their time or cared so much that they helped us turn a difficult task into an achievable goal. We would like to give tribute to:

Smith Markham
Ron Mathews
Billy Phillips
Chuck Null
Brad Bauer

Bill Bunch
Jim Laudermilk
Bill Barnett
Brad Dill
Dennis Weigel

These people, along with all the marvelous faculty and students who donated so many pictures, made our jobs a lot easier. Our heartfelt thanks goes out to all
